an underground cave-like residence

Plato's Allegory of the Cave

the cave (ie, most people know nothing of philosophy), and only a few live outside of it, rule by the masses will likely always have terrible results (since the consensus of the majority will always align with ignorant cave-mentality) (d) Dialoguing with others: Note ...

The Allegory of the Cave - English IV

"The Allegory of the Cave" By Plato And now, I said, let me show in a figure how far our nature is enlightened or unenlightened: - Behold! human beings living in an underground den, which has a mouth open towards the light and reaching all along

Descartes, Plato and the Cave

Descartes, Plato and the Cave attributed to bodily processes¹³ So the fundamental divide in Descartes' thought, mirroring that between the body and mind, is the division between sense and intellect The sharpness of this divide, and the requirement that the enquirer's task is to turn away from the senses to the intellect is undeniably Platonic

Anthropology 468: the Mind's Big Bang

1 Anthropology 468: the Mind's Big Bang [Narrator]: Archaeologist Randy White is far beneath the hills of France, searching for a special moment in evolution An era cloaked in mystery When, with hardly a change in appearance, humans began behaving in ways they have never behaved before

Summary: Maurice Merleau-Ponty, Eye and Mind (1964)

Summary: Maurice Merleau-Ponty, "Eye and Mind" (1964) "Eye and Mind" is a complex and poetic analysis of painting as a form of vision In this essay, Merleau-Ponty develops an alternative to the representationalist view of perception by extending Heidegger's notion of human reality as Being-in ...

The Four Idols

action or motion; for forms are figments of the human mind, unless you will call those laws of action forms⁵² Such then are the idols which I call Idols of the Tribe, and which take their rise either from the homogeneity of the substance of the human spirit, or from its preoccupation, or Idols of the Cave
