The Summer Of Her Baldness

Affective Narratives: The Summer of Her Baldness and The L ...

Summer of Her Baldness not only transgresses breast cancer's normative cultural ethos by engaging with negative affects, but also blurs the lines between autobiography and fiction The narrative text remains purposefully fragmentary and imagistic: Lord includes not only the sent emails of Her Baldness but unsent emails, musings, photo-

Women, Health, and Representation

In this reading from her book, The Summer of Her Baldness, which the author describes as “a documentation of the involuntary performance piece occasioned by the diagnosis of breast cancer,” Lord explores the social construction of illness, and baldness, in terms of gender and queerness
